DIGITAL FORENSICS & INTELLIGENCE TECHNOLOGY SEMINAR

This free seminar will bring Forensic Technology Experts and SMEs from several organizations together, enabling Forensic Examiners, Investigators and Crime Analysts to network and learn what's new in the world of forensic technology. Experts from some of the leading public safety technology industry will lead various discussions, present & demo investigative capabilities, and answer questions to assist agencies with digital investigations. All Law Enforcement agency personnel are invited to attend this in-person pre-conference seminar at the RISS Human Trafficking Summit.
