2027 RISS National Human Trafficking Summit

The RISS National Human Trafficking Summit is one of the largest law enforcement human trafficking summits in the nation. It is an opportunity for a multitude of law enforcement organizations from around the country to gather and discuss ways to combat human trafficking. This year's summit will return to the Manchester Grand Hyatt in San Diego, California. We cordially invite you to participate in this event, as it will be an opportunity to showcase your products to law enforcement organizations, build buzz around the community, gain new customers, as well as foster relationships with existing ones.

Sponsoring and/or being a vendor at the 2027 RISS National Human Trafficking Summit can increase your visibility at various levels of the law enforcement community. The summit is attended by federal, state, county, municipal, and tribal law enforcement organizations. You will have the chance to meet and mingle with 500+ attendees from over 150 law enforcement agencies.

Our Vendors

Vendor applications are only accepted from companies whose product line is applicable to this specialized area of law enforcement and the needs of our members.

At the RISS National Human Trafficking Summit, we believe vendors are an extension of the excellent training provided and contribute valuable insight into changing technology and services, which increases our members' effectiveness and safety. We appreciate our vendors and, as such, coffee and snacks will be placed in the vendor hall to increase traffic to your location. Vendors are cordially invited to attend the Vendor Reception on Tuesday, May 25, 2027, from 5:30 P.M. - 7:30 P.M. This reception is designed to highlight our Vendor Show and drive attendees to the exhibitors. It is a summit highlight and a great opportunity to mingle with attendees and instructors, enjoy the refreshments, and bring additional exposure to your booth.

We take pride in the RISS National Human Trafficking Summit and welcome you to call any of our past vendors for reference information. We are confident once you have displayed your product at our summit, you will be very satisfied and, like most of our past vendors, will make this show the one you do not want to miss.
